2015 FAMILY REUNION

A New Opportunity for LaDonne

Let me take you back to 2008! I graduated in 2007 from Delta State with a degree in Computer Information Systems. Being in the deep down delta, jobs in this field are limited. I got my first job at Cypress Park Elementary School as a Reading tutor, moved on 2 years later to Bell

Academy as Computer Lab Tech and when I thought I would never get job in my area, I WAS approached about an awesome opportunity as a Technology Integration Specialist at Coahoma Agriculture High School on the campus of Coahoma Community College in which

we have a building named after of ne of our own, Zee Barron!! I am so sorry I will not be able to attend the reunion this year due to my new opportunity!! *Psalm 46:10 Be still and know that I am God.*

LaDonne Sterling

Colin Outgrows *The Nest*

Colin will finally be leaving Gagi's nest. He will attend daycare in the fall. LaDonne made sure he was the last one Gagi had to nurture.

Colin Jarrell Sterlin is the son of Marcus and LaDonne Sterling

the BlabberMouth

Haley Lynn's Comet

Time flies!! Haley Lynn attends Bell Academy School. She is officially a 2nd grader. This year has been a challenge for Haley Lynn. She tested into the Gifted Program, was on the Superintendent's list 3/4 this year (making only one B the entire school year), won 1st place in the reading fair twice, held down soccer and softball all while maintaining church activities. She attended VBS at First Baptist Church. They learned about missionaries and what it is to be a missionary. She had been talking to her parents about attending church now she thinks she is a missionary. This church goes to Africa every year to deliver goods. All the kids were responsible for purchasing an outfit in their size to take

to VBS so that these clothes can be taken to Africa. She keeps a BIG smile on her family's face.

May GOD continue to use Haley Lynn and allow her spirit to uplift others!!

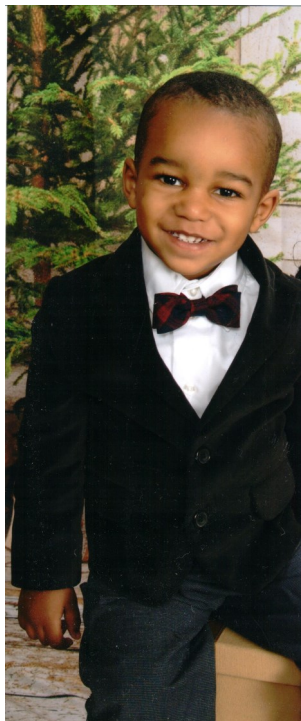

Keith Wilson

Ashley and Reco Edwards (daughter and son in law of Keith Wilson) are the proud new parents of Skylar Jaymes Elise Edwards.

Kaylin Nichols, daughter of Natasha Waugh-Harris, granddaughter of Charles and Etta Smith-Waugh, graduated from middle school this year. The rite of passage was the middle school prom.

lence in Pastoral Leadership. Conni and I were the guests of the young people of Calvary Baptist Church, Renova, MS as the portrayed that Freedom Rides of 1961. What a joy to preach at Calvary and visit our relatives!!! Incidentally, invited back to Miami this

year

I was featured in a full page article in the Washington Post newspaper in January . My civil rights activities were reported on. A complete page in a major paper without killing or robbing anyone!!!!...

Daniel Smith Jr.

I was present to hear President Obama sing the opening lines of "Amazing Grace" at the end of his eulogy for Rev. Clementa Pinckney in Charleston, SC.

New Home!

Eric Martin "Beau" Barnes, the 29-year-old son of Reginald & Marcia Barnes, grandson of Floyd "Jack" & Pauline Martin and great grandson of Moses "Hemp" & Susie Hubbard-Smith continues to work for the Mississippi Department of Wildlife, Fisheries & Parks in Jackson, MS where he is now a Project Manager. The past year brought a lot a great experiences and monumental changes, including many trips. One particular vacation getaway to Puerto Vallarta, Mexico is most memorable. Other milestones: his graphic design business, EMBB DESIGNS, LLC. continues to grow; he directed Calvary's Black History production, "Ride On", written by his aunts; a promising relationship with his girlfriend of 1 year and 3 months and the purchase of his FIRST HOME in Brandon, MS! Whew! What a year of blessings and positive change! Eric truly believes that God has placed favor and grace all over his life and is excited about his future.

Adena & Lawrence

Adena and Lawrence Williams - This was a year of travel for Adena and Lawrence. Adena's leadership and strategy development work took her to most of the eastern, southern and mid-western states. Lawrence's work with the Clorox Company amped up his travel throughout the US and Latin America. We also had a great family vacation in Orlando. Two highpoints of the year: Celebrating Mom's 85th birthday (Alice Smith Risby). Adena enjoyed a cruise with Mom, Edward (Mom's husband), Kelly Jr and Valerie Lin (Adena's brother and sister)) to honor the occasion. Mom and Edward were on the dance floor every chance they got!! Then family and friends surprised Mom with

a party in Nashville.

Having a residence hall at Vanderbilt University named for Adena's father (Kelly Smith Sr.)

The low points include the passing of our young niece, Maya (Valerie Lin's granddaughter) and losing our sister, Dorothy, just a few weeks ago.

Travis Smith

Travis Smith—son of Rosa Smith and the late Claude Smith, and the grandson of Moses (Hemps) Smith and Susie (Hubbard) Smith—just completed his 38th year of teaching. The last 30 of those at Williams High School in Plano, TX where his bands have been consistent winners of the Texas UIL (University Interscholastic League) Sweepstakes Award. This award is earned by making first division (superior) ratings at UIL Marching, Concert and Sight-reading Contests each year. In addition, his band earned a first division rating at the American Classic Bluebonnet Music Festival in San Antonio this spring and was awarded an Outstanding Performance Award and the Best in Festival Award.

Malika & Greg

We had such a fun year! Greg, Malika, Khalil and Amaan spent Thanksgiving week in Orlando swimming, Disney-ing, and laughing like crazy with the Conoly, Wright and Williams families in an awesome shared vacation home. Where to next year, Fam? This fabulous week in the sun accentuated a year of notable accomplishments. In May, Amaan was promoted from the

2nd grade with straight As and a basketball championship. Khalil was promoted from the 4th grade with straight As, a Presidential Academic Award and a slew of basketball championships. He's starting middle school in the Fall at University School of Nashville, the school at which his dad coaches basketball, football and track. Greg's middle school basketball team won the HVAC AA championship. Malika was promot-

ed to Deputy Superintendent of the TN Achievement School District. She was the only one not to win a basketball championship. Maybe next year.

Passed Away

Sunday, December 14, 2014

When God calls little children
to dwell with Him above,
we mortals always question the wisdom of His love.
For no heartache compares with the death of one small child
who does so much to make this world seem wonderful and mild.
Perhaps God tires always calling the aged to His fold,
And so He picks a rosebud before it can grow old.
God knows how much we need them, so He takes but few –
to make the land of heaven more beautiful to view.
Believing this is difficult, still somehow we must try.
The saddest word that mankind knows will always be
“goodbye”.
And so when little ones depart – we who are left behind
must realize how much God loves little children – for angels are
hard to find.
